

Chaigeley Educational Foundation

Behaviour/Staff Code of
Conduct

Statement of intent

Chaigeley Educational Foundation expects all of its children to receive the highest possible quality of care within a positive and respectful environment.

Employees at the Chaigeley Educational Foundation should understand that their own behaviour and the manner in which they conduct themselves with their colleagues, pupils, parents and other stakeholders, sets an example.

The governing body of Chaigeley Educational Foundation recognises that the majority of staff members act appropriately and treat each other with dignity and respect; however, we consider it important to clarify the expected standards.

This document forms part of a staff member's contract of employment and failure to comply with it, and with the associated Chaigeley Educational Foundation policies, may result in disciplinary action being taken, including legal action where this is warranted.

This document applies to all staff members who are:

- Employed by Chaigeley Educational Foundation, including the Principal.
- Employed in units or bases that are attached to Chaigeley School.

This document does not apply to:

- Employees of external contractors.

These employees are governed by their employment contracts and any relevant laws pertaining to their activities within the school, for example, the Data Protection Act 1998.
