

CLASS GROUP – Sycamore & Maple

Dear Parents/Carers

The Grid below covers suggested homework activities to support your child’s learning over the remainder of the half term (it can also be found on the school website. We would like you to encourage your children to do independent learning/research at home. The grid allows the pupils some freedom in choosing what they would like to do and any work completed should be brought in and given to the relevant teachers. Additional House Points will be given for any work undertaken at home and submitted to staff.

English

Summarise as many poems as you can. Any of these could come up on your assessment.

Maths

Watch the following video together (parents and children), pay special attention to the part on Primes.
