

Welcome to Chaigeley Educational Foundation and thank you for showing an interest in working for such an amazing organisation.

Chaigeley was founded in 1946 and provides education and care for children aged 8 to 16 with social, emotional and mental health needs. We are a charitable organisation founded by the Quakers and we hold dear many of the Quaker philosophies in our school and care provision.

Our environment is different from many schools with every pupil having an Education, Health and Care Plan. Every child has different needs and every child brings a different challenge to each day.

It can be a difficult environment to work in but I do not know of any other environment that brings so much job satisfaction to all of our staff.

If you want to make a difference to young people's lives, young people that have faced adversity in various forms in their lives and if you have what it takes to make a positive change then please apply to work with us, I look forward to meeting you and to working with you.

Mrs Jan Barlow

School Principal
