# Chaigeley School News!!

Our school provides a high quality, broad, balanced and inclusive curriculum for SEMH students across key stages 2, 3 & 4. We pride ourselves on our welcoming, nurturing and safe environment which allows our pupils to develop academically, spiritually and emotionally. Building resilience and confidence along the way.

Chaigeley is a Non-Maintained Special School and accepts students from all Local Authorities across the North West. We are currently rated as a 'Good' school by Ofsted (June 2018). The school's aim is to maintain this rating with the addition of outstanding elements before the next Inspection.

## WHAT HAPPENED LAST FRIDAY?

On Friday the 29th of April we had a visitor...

Last Friday we had a visit from an ex Chaigeley pupil, Anthony Owo. Anthony visited us a few weeks ago, to see if any staff remembered him from his time at Chaigeley. Shortly after it was arranged with Anthony that he comes in to School and gives the pupils a day to remember.

Anthony was more than pleased to come in and did so last Friday.

Anthony gave an inspirational speech on inspiring the uninspired and talked about his own life and the time that he spent in care and at residential schools. He promoted **BELIEF** and **ASPIRATION** and that young people can achieve despite their starting point or circumstances. He did an assembly with the pupils, which was amazing because many of the pupils were

confident enough to get involved and talk with Anthony. Later on he did a Question and Answer session with the pupils, giving them an insight into his life and the potential that our pupils have.

He also brought along his Lamborghini and his tour bus which is kitted with PlayStation 5's. Our pupils got the opportunity to get in the Lamborghini and take photos with it, whilst also getting the chance to sit in the tour bus and play on the PlayStation 5's!! These simple activities gave the pupils a sense of belief and will hopefully inspire them to go on and achieve their own greatness!

Anthony has also donated **£5000** to the school for an outdoor gym project and we look forward to inviting him back to officially open this as a school ambassador.

Anthony has also donated a PS5 to the new KS3 Games room which was amazingly generous of him.

We really appreciate everything that Anthony did on Friday, we believe that this experience will make a great impact on the lives and futures of our pupils. We hope to see him again soon!

Anthony came to us as one of our residential pupils starting in Key Stage 3. He was always very sporty and fabulous at 'Parkour', with some of his fellow pupils. The Gym was always shut at Wednesday lunch time for the group so they could spring about to their heart's contents, safely! He excelled at Superstars days and sports days, he enjoyed theme days and residential during his time here. He was loads of fun and kept us on our toes. Anthony was always really sociable and it is no surprise to us that he has gone on to succeed at something that he put his mind to. It makes us really proud to see how far he has come and that he has fond memories of his time here at Chaigeley. Well done Anthony!!
