TB, RB and LJ from Lilac.

JD and ML from Larch.

This terms 90%+ attendees:

WA and MH from Oak.

WT from Willow.

SB, GD and MT from Hawthorn.

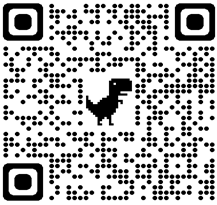

RC from Redwood.

WA and PB from Larch.

Recently at Chaigeley we updated our School website and we introduced a School app for parents and carers.

We're encouraging all parents and carers to sign up to our new School app. We plan on using the app to improve the communication between School and the parents and carers.

Scan the QR code to see our Website!!

Head Teachers comments.

This half term has been extremely busy with SAT's exams and GCSE exams starting, well done to all of the students that have worked hard to revise and prepare for their exams and the additional support staff have given over the last few months.

We have also welcomed Shine therapy to our Juniper therapy team to support OT needs across the school they are already having an impact on our pupils and developing our staff skill set.

We have also found time to have a few school trips to Comic con in Blackpool, Fishing at partridge lakes and meadow view fisheries as well as hosting several football matches at school.

The school grounds are now nice and green and we have taken this opportunity to get a professional photographer to take some amazing photographs and footage of our school site to use on our website so look out for the new content coming soon.

Thank you to all the parents and carers who have signed up to our parent app please check your emails for an invite if you have not done so already.

More news!

One of our pupils, Matthew, built a book swap box for the local Thelwall community Parish Council. The swap box has been installed and is now being used in the local Jubilee park.

Every Friday Morning Mr Lambert hosts the weekly assembly. He discusses this week's achievements and successes with the children, highlighting all the great activities that they have been involved in. Mr Lambert sets the pupils a weekly challenge, which gives the pupils the opportunity to win a prize... sometimes even a voucher of their choice!!

Last Friday Mr Lambert challenged the pupils to a numeracy quiz. Birch class won the numeracy day quiz and now have a class day trip to look forward to next half term.

After we break up on Friday 27th May, the pupils will return to School on the 6th June. The second Summer half-term will finish on Friday 22nd July.
