Our Chaigeley Scarecrow for the Thelwall Rose Queen!!

On Saturday the 18th of June, Thelwall Rose Queen makes its return for the first time in three years.

The fun kicks off with the procession around the village, before returning to our School field for displays in the arena, as well as a host of food, games, cakes and much more. The Procession leaves from Thelwall Parish Hall at 1pm.

The theme this year is bands and music, so there should be an amazing selection of floats. There will be walking and vehicle floats to make it easy for as many people as possible to get involved.

Saturday 11th and Sunday 12th June.

The scarecrows are back for the 5th year in a row and the Rose Queen committee are hoping for some spectacular straw versions of famous singers, bands and groups. Birch class have built an excellent Elvis Presley scarecrow!! Well done to all of those who were involved in the assembly of such an iconic straw singer! Hopefully Chaigeley win a prize for this contribution.

GCSE Option Choices.

When pupils start Year 10 they move from Key Stage 3 to Key Stage 4 of the National Curriculum. As part of this transition pupils are required to pick their GCSE options. This is an important step in their educational journey. Young people are now required to stay in education or training until they are 18 and the options they choose at GCSE may inform the choices that they make post 16.

There are still some mandatory subjects at Key Stage 4 that pupils must continue to study because these are subjects that everyone needs to prepare them for future study, employability and to enable independence in the adult world.

Chaigeley aims to offer a broad as choice as possible to pupils and will make every effort to try to accommodate chosen option preferences, although there can timetable and staff conflicts that have to be taken into account.
